

PECB

PECD Certified ISO/IEC 2//01 Foundation

Become acquainted with the best practices of Privacy Information Management System (PIMS) based on ISO/IEC 27701

Why should you attend?

The ISO/IEC 27701 Foundation training course is designed to help participants understand the basic concepts and principles of a Privacy Information Management System (PIMS) based on ISO/IEC 27701. Moreover, during this training course, students will learn more on the structure of the standard including its requirements, guidance and controls on the protection of the privacy of Personally Identifiable Information (PII) principals and the relationship of the standard with ISO/IEC 27001 and ISO/IEC 27002.

After completing this training course, you can sit for the exam and, if you successfully pass it, you can apply for the "PECB Certified ISO/IEC 27701 Foundation" credential. A PECB Foundation certificate proves that you have comprehended the fundamental methodologies, requirements, guidelines, framework and managerial approach.
